

3515AR 3515N 3500A 3550R FAQ

Q. What the major differences between 3515AR, 3515N, 3550R and 3500A?

A. Basically, these are all the same unit that differ mainly with standard options and accessories. The 3515N is a U.S. Navy specific configuration of the 3515AR, and the 3500A was replaced by the 3550R, the commercial version of the 3515
